

Software Development for Mobile Devices

Submission for Assignment A4.2P

App Screenshot

Activity	Screen
MainActivity	 A screenshot of a mobile application interface. At the top, there is a blue header bar with the word "Browsing" in white. Below the header, there is a grid of four landscape images: a lake with mountains, a forest path, a wooden bridge over a lake, and a forest scene. The bottom of the screen shows a black navigation bar with three white icons: a back arrow, a circle, and a square.
ImageDisplayActivity	 A screenshot of a mobile application interface. At the top, there is a blue header bar with a back arrow icon and the word "Browsing" in white. Below the header, there is a large landscape image of a lake with mountains. Below the image, there is a text label that says "This is the fourth image". The bottom of the screen shows a black navigation bar with three white icons: a back arrow, a circle, and a square.
